EXECUTIVE ORDER

_ _ _ _ _ _ _

REVIEW OF DESIGNATIONS UNDER THE ANTIQUITIES ACT

By the authority vested in me as President by the

Constitution and the laws of the United States of America, and
in recognition of the importance of the Nation's wealth of
natural resources to American workers and the American economy,
it is hereby ordered as follows:

Section 1. Policy. Designations of national monuments under the Antiquities Act of 1906, recently recodified at sections 320301 to 320303 of title 54, United States Code (the "Antiquities Act" or "Act"), have a substantial impact on the management of Federal lands and the use and enjoyment of neighboring lands. Such designations are a means of stewarding America's natural resources, protecting America's natural beauty, and preserving America's historic places. Monument designations that result from a lack of public outreach and proper coordination with State, tribal, and local officials and other relevant stakeholders may also create barriers to achieving energy independence, restrict public access to and use of Federal lands, burden State, tribal, and local governments, and otherwise curtail economic growth. Designations should be made in accordance with the requirements and original objectives of the Act and appropriately balance the protection of landmarks, structures, and objects against the appropriate use of Federal lands and the effects on surrounding lands and communities.

Sec. 2. Review of National Monument Designations. (a)

The Secretary of the Interior (Secretary) shall conduct a review of all Presidential designations or expansions of designations under the Antiquities Act made since January 1, 1996, where the

designation covers more than 100,000 acres, where the designation after expansion covers more than 100,000 acres, or where the Secretary determines that the designation or expansion was made without adequate public outreach and coordination with relevant stakeholders, to determine whether each designation or expansion conforms to the policy set forth in section 1 of this order. In making those determinations, the Secretary shall consider:

- (i) the requirements and original objectives of the Act, including the Act's requirement that reservations of land not exceed "the smallest area compatible with the proper care and management of the objects to be protected";
- (ii) whether designated lands are appropriately
 classified under the Act as "historic landmarks,
 historic and prehistoric structures, [or] other
 objects of historic or scientific interest";
 (iii) the effects of a designation on the available
 uses of designated Federal lands, including
 consideration of the multiple-use policy of
 section 102(a)(7) of the Federal Land Policy and
 Management Act (43 U.S.C. 1701(a)(7)), as well as the
 effects on the available uses of Federal lands beyond
 the monument boundaries;
- (iv) the effects of a designation on the use and enjoyment of non-Federal lands within or beyond monument boundaries;
- (v) concerns of State, tribal, and local governments affected by a designation, including the economic development and fiscal condition of affected States, tribes, and localities;

- (vi) the availability of Federal resources to
 properly manage designated areas; and
 (vii) such other factors as the Secretary deems
 appropriate.
- (b) In conducting the review described in subsection (a) of this section, the Secretary shall consult and coordinate with, as appropriate, the Secretary of Defense, the Secretary of Agriculture, the Secretary of Commerce, the Secretary of Energy, the Secretary of Homeland Security, and the heads of any other executive departments or agencies concerned with areas designated under the Act.
- (c) In conducting the review described in subsection (a) of this section, the Secretary shall, as appropriate, consult and coordinate with the Governors of States affected by monument designations or other relevant officials of affected State, tribal, and local governments.
- (d) Within 45 days of the date of this order, the
 Secretary shall provide an interim report to the President,
 through the Directors of the Office of Management and Budget,
 National Economic Council, and Domestic Policy Council, and the
 Chairman of the Council on Environmental Quality, summarizing
 the findings of the review described in subsection (a) of this
 section with respect to Proclamation 9558 of December 28, 2016
 (Establishment of the Bears Ears National Monument), and such
 other designations as the Secretary determines to be appropriate
 for inclusion in the interim report. For those designations,
 the interim report shall include recommendations for such
 Presidential actions, legislative proposals, or other actions
 consistent with law as the Secretary may consider appropriate
 to carry out the policy set forth in section 1 of this order.

- (e) Within 120 days of the date of this order, the Secretary shall provide a final report to the President, through the Directors of the Office of Management and Budget, National Economic Council, and Domestic Policy Council, and the Chairman of the Council on Environmental Quality, summarizing the findings of the review described in subsection (a) of this section. The final report shall include recommendations for such Presidential actions, legislative proposals, or other actions consistent with law as the Secretary may consider appropriate to carry out the policy set forth in section 1 of this order.
- $\underline{\text{Sec. 3}}$. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:
 - (i) the authority granted by law to an executive department or agency, or the head thereof; or
 - (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.
- (b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.
- (c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

THE WHITE HOUSE,
